

THE R9 ORANGERIES

Elegant Pilaster and plinths (kerbside appeal)

Period detailing (chunky posts and traditional drip)

Internally beaded and glass bonded (security)

100mm frame (neater installation and stronger than smaller frames)

9 chambers (thermally and acoustically brilliant)

Handmade in UK (automated assembly lines cannot finish like craftsman)

Aesthetically pleasing (equal sightlines)

Deep Decorative detailing (distinctive with old single glazed timber)

Stylish & Functional (extra living space)

Maintain a Consistent Design throughout your home (choose and match your colours)

Designed by Eclectic Systems, the specialist boutique system house for traditional windows

RESIDENCE 9®

Residence 9 is a window system designed to replicate the 19th Century Flush Sash Timber Window.

A CASE STUDY - THE R9 ORANGERIES

RESIDENCE 9®

ORANGERIES

THE WAY THEY'RE
MEANT TO BE

THE R9 ORANGERY
Whether you live in a traditional property or a modern house add that extra living space with an R9 Orangerie. Period detailing with our chunky posts traditional drips and hardware will all add a touch of class to any home. It can accommodate 28mm double or 44mm triple glazing with market leading thermal and acoustic performance. Manufactured in the UK from a modern composite material to give you a virtually maintenance free finish.
